## Digital Print Solutions Acquires Graphics IV

**Richfield, OH - April 25<sup>th</sup>, 2022** Digital Print Solutions announced today the acquisition of Graphics IV, a leading provider of printing, finishing and binding equipment and supplies in Florida since 1990. The acquisition of Graphics IV fits Digital Print Solution's strategy to continue incorporating finishing and binding equipment and service into their production, inkjet and wide format portfolio.

All Graphics IV team members will remain in place and there will be an influx of new hiring to assist in future growth. "We are very excited to add Graphics IV to enhance what we provide our customers in Florida. Graphics IV has established a great reputation over their 32 years serving the Florida market. The combination of DPS and Graphics IV, provides commercial printers with a single source for all their equipment and service needs while getting excellent expertise in the process," states DPS President and CEO Adam Silk.

More information about DPS and their expansion, including exciting career opportunities and the services they provide, can be found at <https://www.dpsamerica.com>.
