GENERAL USE and CAD
LARGE-FORMAT PRINTING

Introducing the imagePROGRAF iPF610 printer

A new 24" large-format printer built
by Canon for the way you work

From Canon, a world leader in office imaging systems and ink-jet printing technology, comes the imagePROGRAF iPF610 printer— a highly versatile printing solution designed to enable all levels of users to produce spectacular full-color, large-format graphics.

The iPF610 printer is an all-purpose large-format printing solution that's ideal for businesses, schools, architects, engineers, and other professionals who want to easily create, process, and print full-color presentations, signs, posters, renderings, CAD drawings, GIS maps, and other large-format graphics.

iPF610 Features

Why settle for anything less?

The iPF610 printer includes everything you need.

HIGH-QUALITY PRINTING

- High-resolution 2400 x 1200 dpi output
- Fine lines with Canon's 5-color dye/pigment Reactive Ink technology

MAXIMUM PRODUCTIVITY

- High-speed output – print a full-color 2' x 3' fast!
- A super high-density print-head with 15,360 nozzles

VERSATILITY

- Point-and-click software solutions from Canon make printing your own posters, presentations, and signs easy.
- Print CAD and GIS applications with the HDI driver and direct printing support for HP-GL/2 and HP RTL documents.

EASY TO USE

- Quiet operation and convenient media feed options
- A large LCD panel provides better visibility and more information

iPF610

BIGGER IS BETTER—NOW IT'S EASIER TOO!

The iPF610 printer is a complete large-format printing solution designed to help all levels of users do more—better, faster, and more efficiently. To help you, an array of workflow solutions is available with the iPF610 printer.* Expand your capabilities and simplify operation.

- **Canon Printer Driver 2007**

Intuitive operation with Easy and Advanced settings

- **Web-Link**

Point-and-click access to applications and information

- **PosterArtist 2007**** (optional)

A template-based poster design software package

PRINT WHAT YOU WANT—HOW YOU WANT IT

Office documents come in all sizes and formats, from photos, graphics, and charts to Microsoft® files. The versatile iPF610 printer is equipped to help you compose, edit, and enlarge these documents, whether you have the application file or just a printed original. The Free Layout feature** enables digital documents of different file formats to

be composed onto a single page, edited and printed together. Or you can enlarge documents directly from a printed original by integrating the iPF610 printer with a Canon imageRUNNER® device with Universal Send. The result is a seamless scan-to-print workflow.

SPEED WITHOUT SACRIFICE

In today's business environment, tight deadlines have become the norm. The high-speed iPF610 printer will help you beat the clock and stay ahead of the curve. The high-density print-head with 15,360 nozzles ejects more ink with every pass so high-resolution 2400 x 1200 dpi images can be produced faster in every print mode.

OFFICE COMPATIBLE AND READY TO WORK!

With low power consumption, easy media feed options, and quiet operation, the network-ready iPF610 printer is an out-of-the-box large-format printing solution designed to fit comfortably into virtually any office environment.

* Please see specifications page for OS compatibility.

** PC only

User Replaceable Items

Print Head (PF-03)
Ink Tanks (PFI-102)
Maintenance Cartridge (MC-16)

What's In The Box

Printer, User Software CD (Printer Driver, HDI Driver,
Utilities), Application CDs, 6 Starter Ink Tanks (MBK x 2,
Cyan, Magenta, Yellow, Black), 2" Core Media Spool with
3" Adapter, Print-Head, Maintenance Cartridge, Media
Cutter, Built-in Ethernet/USB 2.0 Interface, Quick Setup
Guide (Poster), Printer Reference Guide (Booklet), Power
Cord, One-Year Onsite Warranty, Registration Card,
Stand, Basket, Hardware (For Setting Up the Stand)

* After user adjustment and under the same
environmental conditions. Applies to media for line
drawing only.

** Theoretical value based on data resolution.

*** The starter ink tanks initially packaged with the printer
are not the same capacity as the replacement ink
tanks specified here.

† The maximum printable length varies depending on
the application, OS, and RIP used.

†† For AutoCAD or AutoCAD LT
2000/2000i/2002/2004/2005/2006/—2007/2008

- Windows 2000/XP/2003 Server and for Macintosh,
Auto Layout, and imageRUNNER Linking Function
- ▲ For imagePROGRAF Printer Driver 2007. For printing
from PostScript® applications such as Adobe® Illustrator®
or QuarkXPress™, please use a PostScript compatible
RIP package. For a list of Canon recommended RIP
packages, please consult with Canon Alliance and
Industry Market program list of RIP vendors.
